

NEW!

AMSure[®]

Enteral Gravity Feeding Sets are Now DEHP-Free

Our new AMSure[®] DEHP-free Enteral Gravity Feeding Sets with ENFit[®] and pre-attached transition connectors deliver best patient outcomes without the risks associated with toxic plasticizers found in other enteral gravity feeding sets.

- DEHP-free materials support better patient safety
- Built-in ice pouch helps keep contents cold
- Available in large and standard bore tubing for feeding flexibility
- Patient label provides convenient patient documentation
- Non-sterile, latex-free and BPA-free

ENFit[®] Connector

Item Code	Description	Qty/Unit
